Youth are uniquely positioned to contribute to India's unprecedented tech and digital story and such programs enable the young minds to innovate and excel and help in nation building.

Panasonic India, a diversified technology company, today successfully hosted the seventh edition of its **flagship scholarship program, Ratti Chattr, to award scholarships to 30**

students from 23 Indian Institutes of Technology (IIT) across India.

Table of Contents

- 0.1. Youth are uniquely positioned to contribute to India's unprecedented tech and digital story and such programs enable the young minds to innovate and excel and help in nation building.
- 0.2. Ratti Chhatr scholarship program truly commendable
- 0.3. Making a difference in the lives of young aspirants
- 0.4. Supporting students to realize dream
- 0.5. Growing Applications

The scholarship program, in association with Shine.com (HT), recognizes and empowers 'young future leaders' by providing financial assistance to select undergraduate students to pursue higher education at their respective IITs across the country.

Amitabh Kant, CEO, Niti Aayog

Present at the virtually held felicitation event, were **Amitabh Kant, CEO, Niti Aayog as the chief guest, along with Manish Sharma, CEO, Panasonic India**, Prof. Sanjeev Sanghi, Head of the Applied Mechanics department IIT Delhi, Akhil Gupta, CEO of Shine.Com and Ms. Ritu Ghosh, Head, Corporate Affairs & CSR, Panasonic India.

Ratti Chhatr scholarship program truly commendable

Congratulating the winners, **Amitabh Kant, CEO, Niti Aayog**, said, “I would like to congratulate all the students for their hard work, that has brought them here today. Panasonic India’s Ratti Chhatr scholarship program is truly commendable in its efforts to propel young achievers to attain their ambitions and goals by empowering them with knowledge. The youth of the Indian diaspora is uniquely positioned to contribute to India’s unprecedented tech and digital story and such programs enable the young minds to innovate and excel and help in nation building.”

Making a difference in the lives of young aspirants

Speaking on the occasion, **Manish Sharma, CEO, Panasonic India & South Asia**, said, “Panasonic India has always been a committed supporter in helping meritorious students on their higher education journey.

Through the Ratti Chattr program, we are very happy to be able to make a difference in the lives of these young aspirants. We congratulate the winners and hope that our efforts will continue to inspire them in accomplishing their purpose in life. This year, we are delighted to have two successful professionals, who as students received the scholarship in 2017, join the felicitation event and share their journey with us.”

Supporting students to realize dream

Ritu Ghosh, Head, Corporate Affairs & CSR, and Panasonic India said, “Ratti Chhatr program strives to contribute to the country’s economic and social development by remaining true to Panasonic’s purpose of providing better lives to all to create a better world. The initiative has been supporting students to realize their dream of studying in one of the most prestigious institutions of the country.”

Growing Applications

The 2021 Ratti Chhatr Scholarship Program received over **621 applications**, of which **540 applications were shortlisted**. Based on an online test conducted, **222 students were interviewed**, out of which Panasonic India has chosen **30 winners for this honor** through a rigorous screening and interviewing process.

Student Names	Location of IIT
